Welcome

Here it is – our 2023 brochure!

Whether you have been before or coming for the first time, we look forward to welcoming you. The last few years have definitely stripped away any pretence that life is certain or secure. We know now more than ever we cannot rely on our own strength, the government or others to resolve the difficulties we face. This realisation may be painful or difficult, but it's also an opportunity to recognise we are held in the loving arms of the Lord Jesus who promises that He will never leave us nor forsake us. Over the past year we have seen God meet with so many who are facing challenges – bringing hope, restoration and a deeper relationship with Jesus. It's been a joy to see.

We are grateful to have come through the pandemic and although there are challenges we've also seen great blessing – often the two go hand in hand – and we are looking forward to all that God is going to do in the coming year. This year's programme of led retreats includes learning how to work from a place of rest with Tony Horsfall, Curie Scott will help us focus on God through nature and art and by being open to all He wants to say to us in prayer, Sue Perks returns to encourage us in our praise and worship, and Dr Angela Walker's retreats draw us closer to the Father heart of God. These are just a few of our varied retreats. Do take a look – we are confident there is something for everyone, as well as plenty of time for you to come and do your own thing during 'Time and Space' and 'Open Time'.

If you have any questions do give us a call. If booking online is easier then visit our website – www.the-greenhouse.org

We look forward to seeing you soon!

Every blessing,

Mark Strand
Centre Director

About Us

Hello!

We are a Christian retreat, conference and holiday venue situated in the middle of a leafy residential area between Poole and Bournemouth, just 2 hours by train from London Waterloo. We are a 20 minute walk to 13 miles of beautiful sandy beaches and within easy reach of both the New Forest and some of Dorset's most famous landmarks such as Studland Bay, the Purbecks, Brownsea Island and Durdle Door.

What We Do

We are passionate about supporting churches, Christian organisations and individuals to grow in faith. We host and can facilitate a wide variety of events from training, led retreats and celebrations to quiet times away on your own or with friends.

The aim is the same – to encourage transformation through spending time in God's presence. Good food, comfortable surroundings and the prayers of our team are assured.

Our Story

Our Centre first opened in 1955 in a 1850s villa as Green Pastures Christian Centre of Healing, by our founder Ruth Hainsworth after her own healing at several retreat centres in the UK.

Over time as people came and experienced healing for themselves, the ministry and the house grew.

Our Mission

Following the appointment of new trustees in 2012, the name of the house changed and we became **The Greenhouse Christian Centre**.

The name reflects our role supporting the Church in the great commission of 'Growing Christian Disciples Active in Church and Community' underpinned by our foundation of a Christian healing ministry. 10 years later The Greenhouse Christian Centre continues to restore, equip and connect those who visit or stay with us.

When Can You Visit Us?

We are open almost all year round, and welcome anyone who may be seeking a closer relationship with God. To give you an idea of what may best suit you, we have various options available.

Led Retreats

These are focused retreats on a specific topic or theme led by speakers who are experienced in their field. There is space within the retreat for both learning and reflection. When a retreat does not have exclusive use of the house, others are welcome to stay without joining in the retreat itself. See **page 20** for a list of this year's Led Retreats.

Time And Space

This is time we set aside in the calendar for individual personal retreat. Each has a different theme related to the discipleship journey. The house is kept quieter to create a more reflective environment and there are opportunities for worship and healing prayer. Individuals, couples or small groups are most welcome during this time. Our Quiet Days and Healing Services are held during Time and Space.

Open Time

Outside of Time and Space we are very much a venue to be used! We are perfectly located for those wanting to simply get away, use us as a base for exploring the local area or to attend an event locally. We also welcome families during these times and offer space for a variety of meetings, celebrations, courses and events such as prayer breakfasts or training events whether local or national.

Day Guests

You are more than welcome to come and spend time with us here without staying overnight, please call to book in advance. There is no cost for self-guided retreat days, other than for meals, however donations are welcome. A price list for our menu can be found on **page 11**.

For some of our **Led Retreats** there is the option to attend as a day guest. To see pricing and information for day guests at our **Led Retreats** please see **page 19**.

Quiet Days

Most months during Time and Space we have a Quiet Day, which is a great opportunity for reflection, prayer and worship. As you can guess by the name, the day is quiet but not silent. Our Quiet Days normally run from 10am to 4pm.

For day guests attending a led **Quiet Day** the price is £25 for the day. This price includes lunch and refreshments.

Healing Services

Within our Time and Space weeks we host a healing service on Thursday mornings in our chapel. Healing and restoration is a key part of our vision. We have been blessed to hear lots of testimonials from people who have encountered God's healing at one of the services.

You are more than welcome to come to our healing service for free, even if you are not attending our Time and Space week.

Pastoral Team

Our Pastoral Team is made up of experienced volunteers. They can be available if you would like someone to pray with you. Please make an appointment with our reception team during your stay.

Time And Space Calendar

You can use the calendar below by clicking on the date you are interested in to visit our website.

What A Day With Us Looks Like

Most importantly, you don't have to do or come to anything! But if you'd like to join us, we meet daily at 9.30am for a short time of prayer and worship in the chapel and twice a week on a Tuesday and Thursday for evening prayer. As a team we pray for each guest by name so be expectant, and whilst you are here one of the team is always available to pray with you. The rest is up to you! We want you to make yourself at home. Rest or be active, pray or play, there are no demands on you, just an invitation to come and spend time with God.

This is my 3rd visit. Thanks so much, I've had another wonderful time... The whole experience of staying with you, walking down to the beach etc is so refreshing. It's been like a port in the storm.

We Love Our Food

We love our food and believe passionately that although fasting is a very important spiritual discipline, being well fed with beautifully presented, fresh home-cooked food is also a good route to meeting with God through shared fellowship.

Tea and coffee will be available after all meals. We do our best to accommodate any medical dietary requirements you may have but please do let us know at least 2 weeks before your arrival.

What Is A Retreat?

God is everywhere you go and you can meet with Him at any time and place, however a retreat is a great way to intentionally spend quality time with God, away from the fast pace and distractions of life. It's time to give God our absolute undivided attention – something that is hard, in this day and age. Whether you are coming to us in the midst of a struggle, or you just want time to reconnect, we have people around to support and encourage you.

Why Should You Retreat?

Wherever you may find yourself in your walk with God, removing yourself from the distractions and stress of life to spend time with Him is so important even Jesus made a priority of it. A retreat can come in lots of forms, you can just come, relax and spend time praying, reading, relaxing and simply being with God. Or you can book a retreat about a specific subject or topic that might be relevant to you. Take a look at our Led Retreats calendar on **page 20** for what we offer.

About Our Led Retreats

Our Led Retreats are a big part of The Greenhouse and our retreat leaders are fantastic! Each has a wealth of experience to share with you and we love partnering with them to resource and equip you for life and ministry. Read on to find out more about them and the events they will be running or take a look at their websites for more information.

We have a number of new and returning retreats this year. Take a look at all we have to offer and book a stay with us – we can't wait to see you!

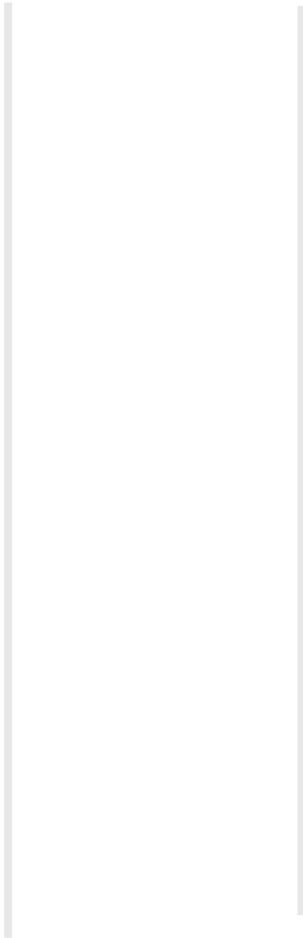

Helpful Information

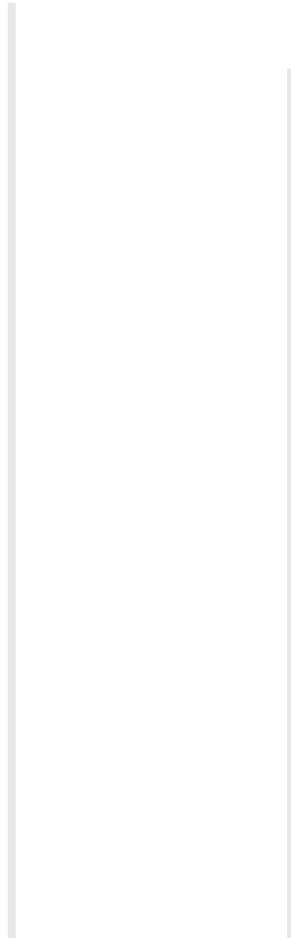

There may be other courses or retreats arranged during the year so please keep an eye on our website www.the-greenhouse.org, sign up for our email newsletter or follow us on social media for updates on new events.

Retreat Testimonials

“

He has greatly blessed me through spiritual and physical rest, which I greatly needed. Thank you ALL for the love and hospitality shown in many ways.

- *Fire In The Desert*

“

Infinitely more than I could ever have hoped for.

- *Beauty From Ashes*

“

I arrived Monday afternoon to what felt like my family... What a blessing. A minority woman, travelling alone, needing to feel safe and have rest this place offered me all this and more. I attended during 'Partners Week' and met so many supporters of this very special retreat. The Word of God was available 24-7. However, special communal time was available as an option, no pressure. I joined in daily but still had time to rest.

Restoring Hope And Wellbeing

17 - 19 February

With Stephen Smith

The last few years have been tough on those who care for others. While the UK was locked down, NHS staff, teachers, carers and others kept going. As we care, we can get 'chipped' – but God's grace mends and holds us together in our brokenness when we submit to His love. Held in the tranquil setting of The Greenhouse, this weekend is an opportunity to look honestly at ourselves and be ourselves in a safe environment and in God's loving presence. We'll look at issues such as resilience and healthy relationships, as well as the difficult emotions encountered while caring for others such as loss, guilt, anger, shame, depression, and anxiety. Course material is drawn from 'Kintsugi Hope Wellbeing' – the word Kintsugi refers to the Japanese art of repairing broken porcelain with golden resin, making it more precious than the original. 'He heals the brokenhearted and binds up their wounds.' Find out more about Stephen on our website, or for more information about Kintsugi Hope visit www.kintsugihope.com

Listening To God Through Nature And Art

27 - 31 March

With Curie Scott

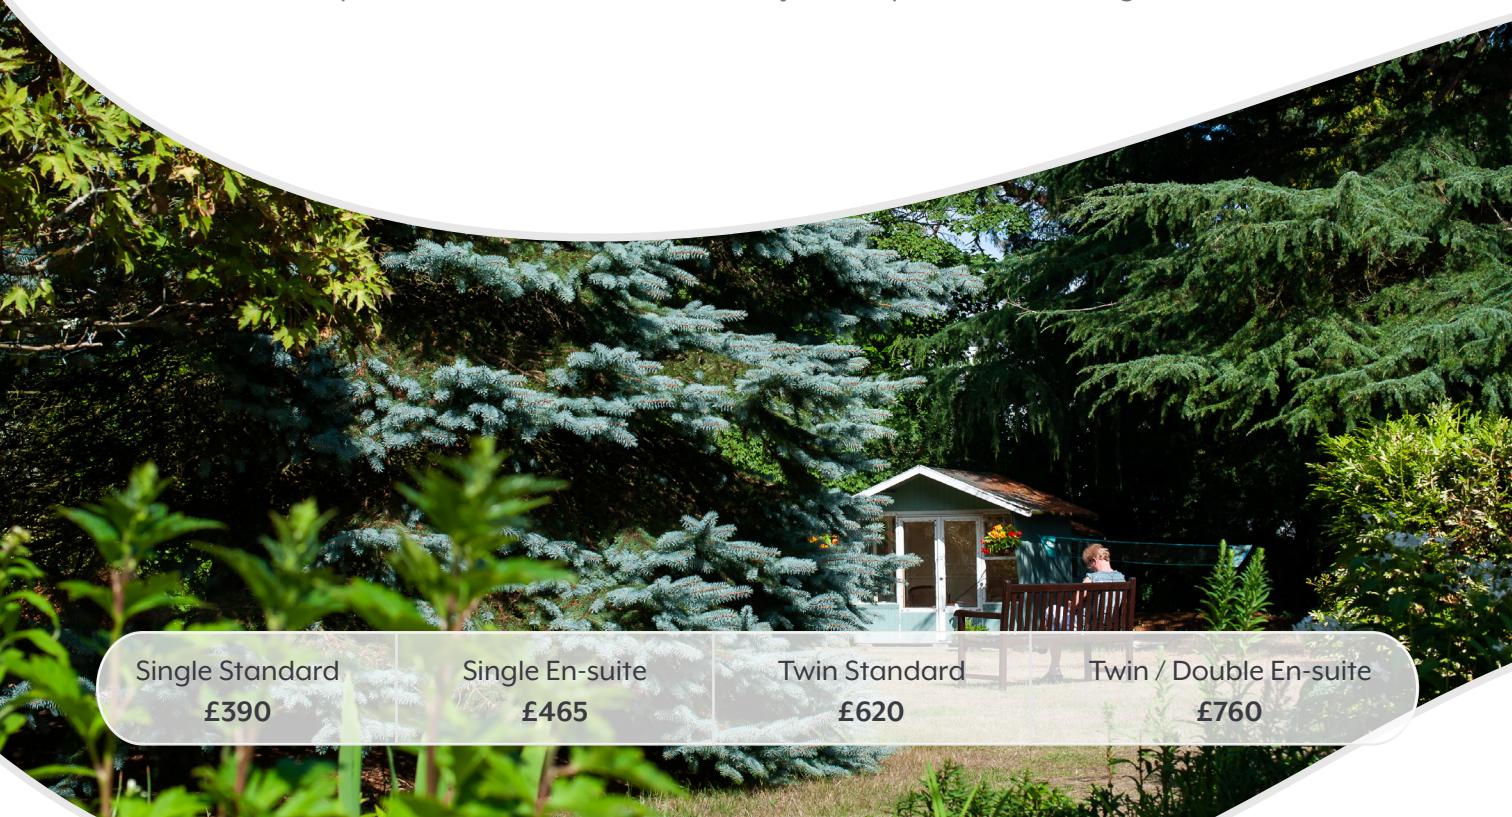

There is a Christian tradition that God has given us two books to learn from: the book of scripture and the book of nature. This week is an invitation to slow down, spend time in nature, looking and listening deeply to what God has to say. We will work with the many references in scripture to the four elements (earth, wind, fire, water) and nature-based metaphors. We will also be making and creating – giving glory to the Great Creator. There is no requirement to be creative or artistic, just an openness to hearing from God.

Traditional Sabbath and Passover meals, a Purim party and building a Succah are some of the highlights of this retreat.

Positioning Yourself In Powerful Prayer

24 - 28 April

With Curie Scott

What do you think about your body? How do you feel about your body? How generous and kind are you towards your body? God came into a human body as Jesus and has a lot to say about our relationship to our bodies.

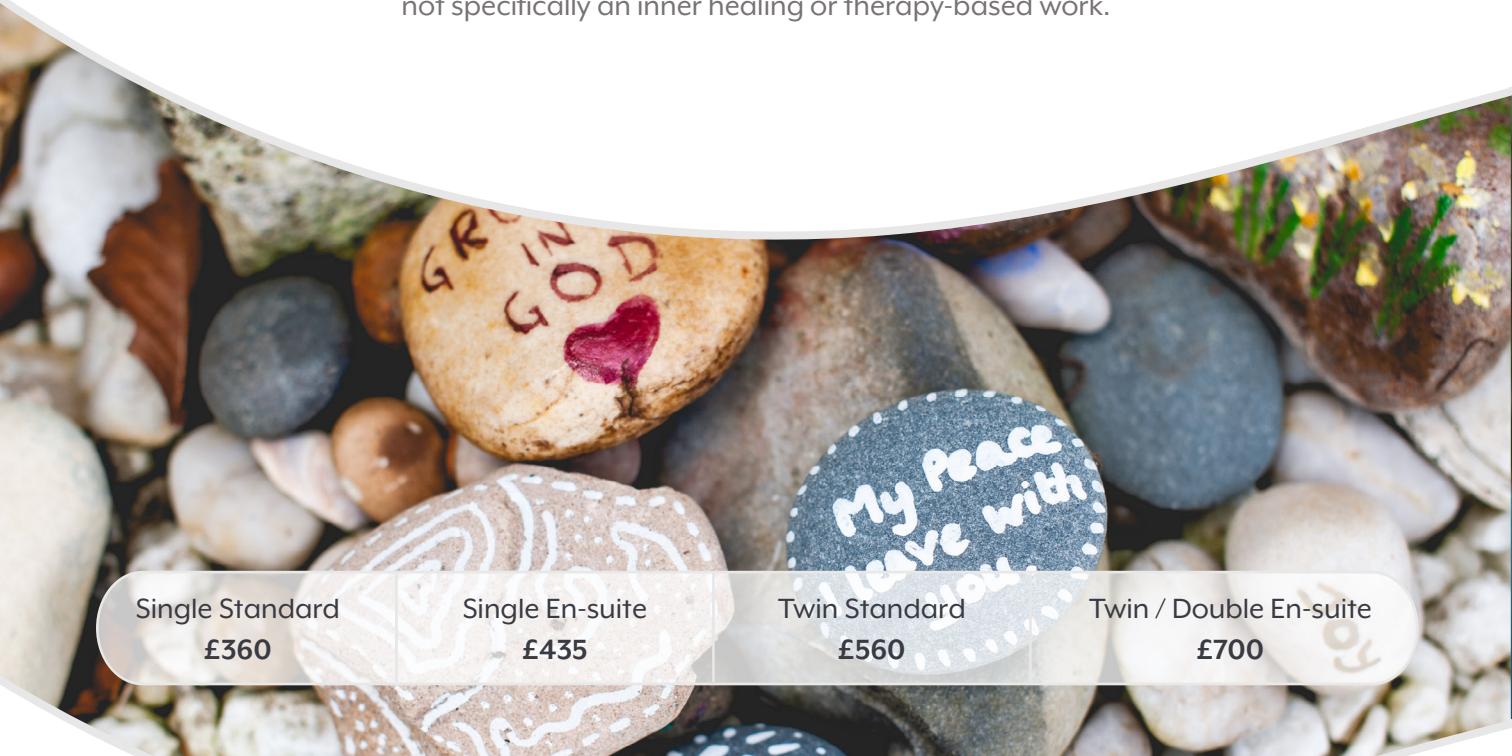

We will look into scriptures about the body, our relationship with physicality and praising God with our whole selves, moving about and listening to God as we do so (but not exercising or dancing unless you choose to!). This is a deeply contemplative practice but not specifically an inner healing or therapy-based work.

Breathing Spaces Silent Retreat

24 - 26 November

With The Breathing Spaces Team

A silent retreat is a good opportunity to press the pause button in the hustle and bustle of daily life and to reflect on changing circumstances in our lives. Above all else it affords the opportunity to get in touch with God.

During the retreat each retreatant will have the opportunity to meet up with a member of the team. The team member is there to listen, to help make sense of what might emerge in the silence, and to offer resources to assist retreatants in their spiritual journey e.g. scripture passages, poems, pictures and meditations.

The whole retreat is surrounded by love, care and prayer in peaceful surroundings and concludes with a shared communion celebration.

Places To Visit

Durdle Door and Lulworth Cove

Explore one of Dorset's most photographed and iconic landmarks. It is part of the Jurassic Coast World Heritage Site and is an extremely popular beauty spot. Great for hikes, swimming or a picnic.

Corfe Castle

Corfe Castle ruins are one of Britain's most iconic and evocative survivors of the English Civil War. There is also an on-site café and restaurant, making it a great day out. The drive to Corfe Castle is 30 minutes, or 1½ hours by bus from The Greenhouse.

Brownsea Island

The birthplace of Guiding and Scouting, Brownsea is the largest of the islands in Poole Harbour. The first record of inhabitants dates back to the 9th century, when a small chapel and hermitage were built by monks. Today, areas of woodland and heath, with a wide variety of wildlife (including red squirrels), are open to the public via a short boat trip across the harbour from Poole Quay.

Blue Flag Beaches
