Welcome

Welcome to our 2024 brochure!

As a team we have enjoyed hosting a huge variety of individuals and groups at The Greenhouse so far this year. People from many different locations and backgrounds have encountered God, been encouraged and restored. We are mindful that life has many challenges and it's a privilege to provide a place where people can be refueled ready for all that God has for them. We are thankful for God's faithfulness to us individually and as a team.

As a leadership team we have a sense that God is calling us to be bold and take risks for Him and to encourage others to do the same. So often we forget we are sons and daughters of a mighty and sovereign God! Our 2024 programme reflects this desire to go deeper with God and to live wholeheartedly for Him. You will see some familiar retreats, but also some we are offering for the first time. Paul Harcourt encourages us to 'Walk on Water', Lin Button helps us to focus on the 'Hope of Glory' and Phil Grasham from CMJ will take us on a journey around the Holy Land from The Greenhouse lounge! We have the opportunity to enjoy fellowship and God's creation with Graham and Helen Worsfold in our Talk & Walk week and Tony Horsfall reflects on how we can live in the light of God's grace to us. You can call us to book or book online at www.the-greenhouse.org.

We look forward to welcoming you back to The Greenhouse in 2024. You will always have a warm welcome, good food and time to encounter God!

Every blessing,

Mark Strand
Centre Director

About Us

Hello!

We are a Christian retreat, conference and holiday venue situated in the middle of a leafy residential area between Poole and Bournemouth, just 2 hours by train from London Waterloo. We are a 20 minute walk to 13 miles of beautiful sandy beaches and within easy reach of both the New Forest and some of Dorset's most famous landmarks such as Studland Bay, the Purbecks, Brownsea Island and Durdle Door.

What We Do

We are passionate about supporting churches, Christian organisations and individuals to grow in faith. We host and can facilitate a wide variety of events from training, led retreats and celebrations to quiet times away on your own or with friends.

The aim is the same – to encourage transformation through spending time in God's presence. Good food, comfortable surroundings and the prayers of our team are assured.

Our Story

Our Centre first opened in 1955 in an 1850s villa as Green Pastures Christian Centre of Healing, by our founder Ruth Hainsworth after her own healing at several retreat centres in the UK.

Over time as people came and experienced healing for themselves, the ministry and the house grew.

Our Mission

In 2016 the name of the house changed and we became **The Greenhouse Christian Centre**.

The name reflects our role supporting the Church in the great commission of 'Growing Christian Disciples Active in Church and Community' underpinned by our foundation of a Christian healing ministry. The Greenhouse Christian Centre continues to restore, equip and connect those who visit or stay with us.

When Can You Visit Us?

We are open almost all year round, and welcome anyone who may be seeking a closer relationship with God. To give you an idea of what may best suit you, we have various options available.

Time And Space

This is time we set aside in the calendar for individual personal retreat. Each has a different theme related to the discipleship journey. The house is kept quieter to create a more reflective environment and there are opportunities for worship and healing prayer. Individuals, couples or small groups are most welcome during this time. Our Reflective Days and Healing Services are held during Time and Space.

Led Retreats

These are focused retreats on a specific topic or theme led by speakers who are experienced in their field. There is space within the retreat for both learning and reflection. When a retreat does not have exclusive use of the house, others are welcome to stay without joining in the retreat itself. See **page 20** for a list of this year's Led Retreats.

Holiday Breaks

In addition to our programme of Led Retreats and Time and Space periods we also have time available for all to book and do your own thing – whether that be for a holiday, retreat, get-together with friends or family getaway.

Day Guests

You are more than welcome to come and spend time with us here without staying overnight, please call to book in advance. There is no cost for self-guided retreat days, other than for meals, however donations are welcome. A price list for our menu can be found on **page 11**.

For some of our **Led Retreats** there is the option to attend as a day guest. To see pricing and information for day guests at our **Led Retreats** please see **page 19**.

Healing Services

Within our Time and Space weeks we host a healing service on Thursday mornings in our chapel. Healing and restoration is a key part of our vision. We have been blessed to hear lots of testimonials from people who have encountered God's healing at one of the services.

You are more than welcome to come to our healing service for free, even if you are not attending our Time and Space week.

Reflective Days

Most months during Time and Space we have a Reflective Day, which is a great opportunity for reflection, prayer and worship. Our Reflective Days normally run from 10am to 4pm.

For day guests attending a led **Reflective Day** the price is £25 for the day. This price includes lunch and refreshments.

Pastoral Team

Our Pastoral Team is made up of experienced volunteers. They can be available if you would like someone to pray with you. Please make an appointment with our reception team in advance of or during your stay.

Time And Space Calendar

Visit www.the-greenhouse.org/retreats for a full list of our Time and Space dates.

What We Offer

What A Day With Us Looks Like

Most importantly, you don't have to do or come to anything! But if you'd like to join us, we meet daily at 9.30am for a short time of prayer and worship in the chapel and twice a week on a Tuesday and Thursday for evening prayer. As a team we pray for each guest by name so be expectant, and whilst you are here one of the team is always available to pray with you. The rest is up to you! We want you to make yourself at home. Rest or be active, pray or play, there are no demands on you, just an invitation to come and spend time with God.

“

An oasis of rest and relaxation. The Lord has blessed me with rest and time for healing, so special. Wonderful fellowship, caring, fellowship at meal times, precious and caring for my needs in every way.

Preparing For A Retreat

What Is A Retreat?

God is everywhere you go and you can meet with Him at any time and place, however a retreat is a great way to intentionally spend quality time with God, away from the fast pace and distractions of life. It's time to give God our absolute undivided attention – something that is hard, in this day and age. Whether you are coming to us in the midst of a struggle, or you just want time to reconnect, we have people around to support and encourage you.

Why Should You Retreat?

Wherever you may find yourself in your walk with God, removing yourself from the distractions and stress of life to spend time with Him is so important even Jesus made a priority of it. A retreat can come in lots of forms, you can just come, relax and spend time praying, reading, relaxing and simply being with God. Or you can book a retreat about a specific subject or topic that might be relevant to you. Take a look at our Led Retreats calendar on **page 20** for what we offer.

About Our Led Retreats

Our Led Retreats are a big part of The Greenhouse and our retreat leaders are fantastic! Each has a wealth of experience to share with you and we love partnering with them to resource and equip you for life and ministry. Read on to find out more about them and the events they will be running or take a look at their websites for more information.

We have a number of new and returning retreats this year. Take a look at all we have to offer and book a stay with us – we can't wait to see you!

Helpful Information

There may be other courses or retreats arranged during the year so please keep an eye on our website www.the-greenhouse.org, sign up for our email newsletter or follow us on social media for updates on new events.

For **Led Retreats** where the option for day guests is possible, the price is **£29** for half a day retreat including one meal and refreshments or **£47** for a full day including two meals and refreshments. Please be aware that these prices are subject to change and may vary for different retreats.

Walking On Water

Joining Jesus In An Adventure Of Faith

19 - 23 February 2024

With Paul and Becky Harcourt

When Jesus walked on water, He revealed his glory. When He invited Peter to leave the boat and join him, He revealed something that radically challenges every believer's life.

All disciples are called to join with Jesus in a supernatural lifestyle of walking with God, which includes miracles, signs, and wonders. But each of us has barriers in our head or heart that easily prevent us from being able to get out of the boat. Drawing on their own stories – especially Becky's powerful testimony of restoration after tragedy – Paul and Becky show how God is faithful and able to heal and transform, releasing us to step into things we never believed possible.

Restoring Hope And Wellbeing

We'll look at issues such as resilience and healthy relationships, as well as the difficult emotions encountered while caring for others such as loss, guilt, anger, shame, depression, and anxiety.

This retreat is priced at our individual **peak** rates. Please see **page 17** for rates. For children's rates please see **page 46**.

Holidays with young children are in themselves an oxymoron at times. We felt really blessed by the support of the team, the knowledge that you were praying for us as guests and reassurances especially in stressful times for us with children having tantrums and never sitting still.

Rhythms Of Grace

4 - 8 November 2024

With Tony and Jilly Horsfall

Designed to help participants discover how to grow in intimacy with God even in the midst of a busy life, join Tony and Jilly to learn about the distinctives of the three most popular streams of Christianity (evangelical, charismatic and contemplative) and how they complement each other.

We'll look at Biblical examples to discover what Jesus taught about how to live the Christian life. Finally, there will be practical teaching about the six practices that help us develop a life of intimacy with God: stillness, silence, solitude, reflection, Bible meditation, and contemplation. Throughout there will be times of worship and space for personal reflection, as well as spiritual accompaniment if desired.

With The Breathing Spaces Team

People often feel called to silence in response to God. Silence may also help those who feel over busy, or who have recently experienced change. A silent retreat is a good opportunity to press the pause button of everyday life and take time for reflection, enabling us to create space to connect with God.

Each retreatant will have the opportunity to meet with a team member who is there to listen, help make sense of what might emerge in the silence, and to offer resources to assist retreatants in their spiritual journey, such as scripture passages, poems, pictures and meditations.

Surrounded by love, care and prayer in peaceful surroundings, the retreat concludes with a shared communion celebration.

He Restores My Soul

25 - 29 November 2024

With Dr Angela Walker

'He makes me lie down in green pastures and leads me besides quiet waters, He restores my soul!' (Psalm 23).

This retreat is an opportunity to come and rest in God's presence, encounter His love and allow Him to minister to your heart and restore your soul. Come with an open heart to receive healing and freedom to your innermost being, as you engage in His presence.

Led by Dr Angela Walker, teaching and corporate ministry includes: 'Unblocking Hearts', 'Hearing God', 'Encountering Jesus in Trauma', 'Healing through Forgiveness', 'Cleansing the Blood-Line', 'Dealing with Grief and Ungodly Soul-Ties', 'Overcoming Fears' and 'Encountering the Father's Heart'. Angela is the Founder of THEO Ministries and author of a series of books on healing. For more information visit www.theoministries.com

Swordtalk

BEING SURE HEALING IS FOR EVERYONE!

We welcome back Mike and Beverley Robinson to The Greenhouse for the third time following their previous successful Saturday seminars centred on seeing God's healing promises through the eyes of faith. This year Swordtalk returns on 27 April with the theme Being Sure Healing Is For All. Being sure it is for you - that is for all those who believe it! None of us can receive what we don't believe!

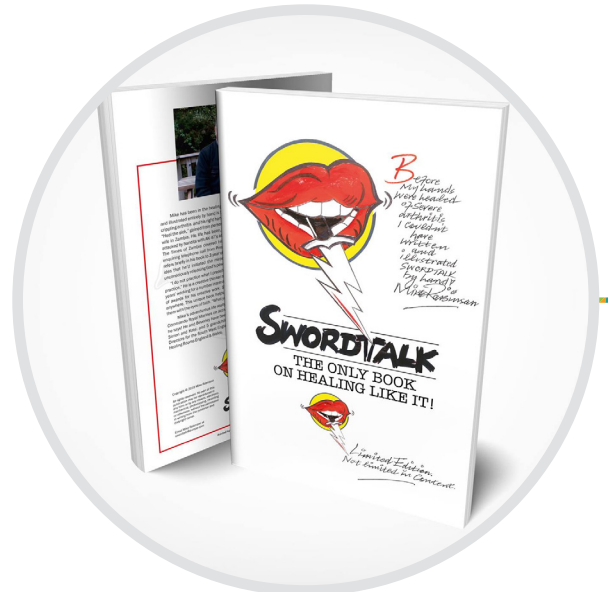

Previously missionaries in Zambia, Mike and Beverley are now pioneer founder directors of Swordtalk Ministries and long term directors of Healing Rooms England & Wales. They will be using unique multiple visual aids, sharing many testimonies of miracles and healings to help build your faith and helping you to 'receive' your healing. There will be hands on healing ministry for those who request it. Further information will be published on The Greenhouse website in due course.

Victorious Warrior Workshop

This day workshop is designed to encourage, equip and build you up to live and lead victoriously in whatever season you're in.

Using a number of teaching and coaching techniques, we will explore how God can deliver us from oppression, establish us in our true Kingdom identity, and lead us to live in power and victory.

Durdle Door and Lulworth Cove

Explore one of Dorset's most photographed and iconic landmarks. It is part of the Jurassic Coast World Heritage Site and is an extremely popular beauty spot. Great for hikes, swimming or a picnic.

Corfe Castle

Corfe Castle ruins are one of Britain's most iconic and evocative survivors of the English Civil War. There is also an on-site café and restaurant, making it a great day out. It's a 30 minute drive, or 1½ hours by bus from The Greenhouse to Corfe Castle.
